TITAN *T3*

The World's most reliable ID card printer

Secure

To protect the security of your organisation, you need ID cards that can be relied upon. Every card printed on the TITAN T3's tried and tested platform can be secured with a HoloKote® anti-fraud watermark.
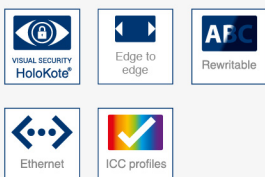

Smart

The USB interface, Ethernet and Microsoft certified, Mac OS X compatible, plug and play driver make the TITAN T3 easy to install and easy to use. For additional electronic security, both magnetic stripe and smart card in-line encoding options are available.

Flexible

Batch print with the interchangeable 100-card feeder or print one-offs or rewritable cards with the hand-feed card slot at the front.

Adaptable

Available off-the-shelf as single or double-sided, you can also upgrade a single-sided TITAN T3 to enable duplex printing with a unique drop-in field enhancement.

When it comes to secure and reliable ID card printing, you can trust the TITAN T3 to deliver.
