

15.6 inch capacitive touch all-in-one machine specifications

Specification

Brand	: New Vision
Model	: XSL156
Size	: 15.6
Color	: Black border
Material	: Metal material
Screen Ratio	: 16:9
Resolution	: 1920*1080
Contrast Ratio	: 1000:1
Brightness	: 300cd/m ²
Color depth	: 16.7m
Backlight life	: 50,000h
Touch Screen	: Capacitive Screen
Touch method	: Human body sensing / skin sensing touch
Touch Points	: 50 million times
Touch Points	: Multipoints / Tenpoints
Response time	: 5ms
Touch interface	: USB port
Linearity error	: <1.5%

Motherboard	: I5 Quad Core Industrial Motherboard
CPU	: Inter Core I5 Eight Generation Quad-Core and Eight -Thread Processor
Memory	: 16G DDR4
Hard Disk	: 512G SSD
Main Frequency	: 1.4GHz and above
Operating System	: Win 10 Professional 64-bit OS
Serial port	: 6 DB nine-pin 232
Network port	: 2 Gigabit Ethernet ports
USB	: 4 USB ports
HDMI output	: 1pc
VGA output	: 1pc
DC Power Supply	: 1 pc, DC 12V
Audio input and output	: 1 each
Horn	: Built-in speaker
WiFi	: Built-in WiFi
24V power supply	: Custom 24v power supply, green terminal 2pin jack
Annexes	: Warranty card, adapter power cord (12v-5A)
Accessories	: Snap
Power supply	: 12V~5A, 24V can be customized
Operating temperature	: -10~+60 C°
Storage temperature	: -20~+70 C°
Relative Humidity	: 5%-85% (non-condensing)
Power consumption	: 60W
Installation method	: Embedded snap installation, support desktop, wall mounting, etc.

Dimensional Parameters

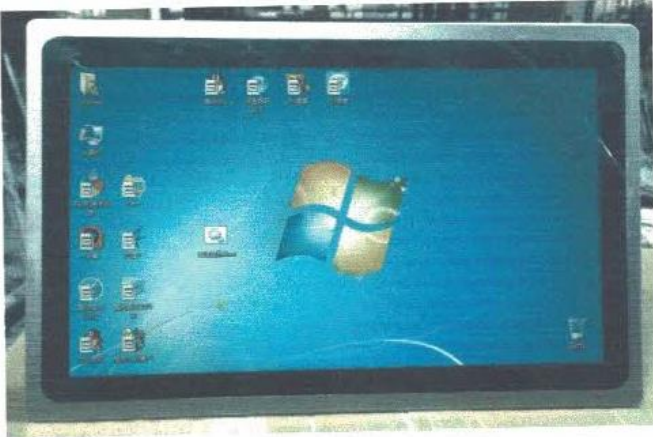

Dimensional drawing parameters

size	Appearance size	Display area	Hole size	Wall hanging hole position
15.6	402*269*56.6	344*194	399.5*249.5	100*100
