

15 inch capacitive touch all-one machine

Product Parameter

brand name	new eyesight
model number	XSL-156
sizes	15.6
aspect ratio	16:9
resolution (of a photo)	1920*1080
contrast (balance of black and white in TV screen set up)	1000:1
luminance	300cd/m ²
depth of chromatic aberration	16.7 m
Backlight Life	50000h
touchscreens	capacitive display
Touch method	Body Sensor/Sky Sensor Touch
Number of touches	≥50 million times
Touch Points	Multiple points/ten points
response time	Multiple points/ten points
response time	5ms
CPU	I5 - X Generation (10210U)
Dual-channel memory slots	16 GB, 8 GB each, DDR4
hard drive	512 GB

main frequency	1.6GHz quad-core, eight-threaded
operating system	windows 10 (64-bit)
serial port (computing)	6 x 232
network port	2 Dual Gigabit Ethernet ports
USB	4
HDMI	1
VGA	1
DC power supply	1
Audio Input and Output	1 each
horn (automobile etc)	built-in-speaker
Wifi	built-in-Wifi
attachment (email)	Warranty Card, Adapter Power Cord
replacement (parts)	snap
power supply	12V~5A
